BAD GUYS TRYOUT QUIZ

Are you brave enough to bungee jump into danger?
Fearless enough to face a laser cannon's deadly rays? Wily enough to withstand a zombie kitten attack?
Take this quiz to find out if you have what it takes to join the Bad Guys on their next mission!

1. What kind of **JOB** would you like to have when you grow up?

- A. A librarian
- B. A superhero
- C. An astronaut
- D. A firefighter

2. A **THIEF** is robbing a bank across town. You must act **QUICKLY**, or he'll get away. How do you get there?

- A. Ride a motorcycle—it's great for taking shortcuts.
- B. Drive a monster truck—you'll crush anything that gets in your way.
- C. Steal a rocket ship—you'll have it back by lunch.
- D. Walk—nothing is safer than the two-foot express.

3. The circus is in town! But something **SMELLS** rotten under the **BIGTOP**. To find out what is going on, you need to sneak in. What is your disguise?

- A. A tightrope walker—you aren't afraid of heights.
- B. A clown—no one will see past the big red nose.
- C. Who needs a disguise? You're wearing clean pants!
- D. A lion tamer—all eyes will be on the cat.

4. What is your **FAVORITE** weekend activity?

- A. Skydiving without a parachute
- B. Watching cartoons at home
- C. All-you-can-eat burrito buffet
- D. Playing laser tag

5. You are **STRANDED** on a desert island when you find a treasure chest. What do you hope to find inside?

- A. A fishing pole—you can catch your own dinner.
- B. Red meat—you have always wanted to wrestle sharks.
- C. Sunscreen—you don't want to burn.
- D. A raft—sailing home won't be easy, but you are up for the challenge.

6. It's Monday morning—time for **SCHOOL**! But you can't turn in your homework. What's your excuse?

- A. It fell into the nest of a baby bird you rescued.
- B. You turned it in early.
- C. You wrote the answers in invisible ink.
- D. It contained dangerous information so you blew it up.

7. What kind of **PET** would you like to have?

- A. A goldfish
- B. A bunny
- C. A pit bull
- D. A tiger

8. You are on a **SHIP** when it hits an iceberg and begins to sink. What do you do?

- A. Steer the ship toward dry land
- B. Dive underwater to plug the leaks
- C. Freeze the ocean with an arctic blast ray
- D. Run for a lifeboat

To find your score, add up the points for each of your answers:

Q1 A: 1, B: 4, C: 3, D: 2
Q2 A: 2, B: 3, C: 4, D: 1

Q3 A: 3, B: 2, C: 1, D: 4
Q4 A: 4, B: 1, C: 2, D: 3

Q5 A: 2, B: 4, C: 1, D: 3
Q6 A: 3, B: 1, C: 2, D: 4

Q7 A: 1, B: 2, C: 3, D: 4
Q8 A: 2, B: 3, C: 4, D: 1

Less than 10 points: BAD GUY-IN-TRAINING

You like to play it safe, which isn't a bad thing. But sometimes heroes have to take risks. If Mr. Shark can face his fear of tarantulas without shrieking like a baby, you can do the things that scare you most. Soon you'll be on your way to full Bad Guy status!

10 to 15 points: TEAM MEMBER

You are strong and reliable. Though you don't go looking for danger, you don't run from it, either. And just like Mr. Piranha, you never break down—you only break wind. You are silent, but deadly. So grab a burrito, get ready for a mission, and let a stinky one rip!

16 to 20 points: LEADER OF THE PACK

You are a true hero. There is no villain too vile, rescue too risky, or guinea pig too cute to stop you from saving the day. With nerves of steel and a take-charge attitude, guys like you and Mr. Wolf make perfect mission leaders. The only question is: Who will you save next?

More than 20 points: TOTAL MANIAC

You may be TOO brave! Daredevils like you are not afraid to scale skyscrapers without a net. But your enthusiasm can make you totally lose control. Like Mr. Snake, you may end up eating the chickens you are supposed to be rescuing. Don't be like Mr. Snake.

Hope's Tips On Using Your Voice

Real talk: Speaking up can be scary at first.

Expect a few butterflies in your tummy and for all eyes to be on you for a moment. I know, pretty intense. But once it's over, be ready to feel proud. You're doing a good thing for yourself. Remember, you deserve to be heard. And if there's one thing I've learned from Galaxy Girl, it's that taking on tough challenges can lead to the sweetest victories.

Speak up: Your voice adds so much to the conversation. So join the discussion and share your thoughts. Plus—bonus!—talking breeds understanding and builds connections. So take a deep breath, and say the words you're probably already rehearsing in your head.

Listen up: We all know the courage it takes to speak up. So when someone has the floor, listen and be respectful. Everyone deserves to be heard.

Act confident: Feeling shy? As my mom likes to say, "Fake it 'til you make it!" Try channeling a bold bestie or courageous cousin, or take a pause to clear your throat—that usually does the trick for me. Your audience will be less likely to interrupt when you speak with authority.

Be an ally: I appreciate Camila and Grace backing me up when others kept interrupting me. You can show the same support to your friends. Whether it's a single voice or a chorus, speaking up when others are being mistreated sends the signal that negativity will not be tolerated.

Don't give up: Just because someone didn't hear you the first time, doesn't mean you should give up. And just because you were nervous, doesn't mean you shouldn't try again. Dust yourself off, and keep speaking up. When you use your voice, it's a win for girls everywhere. I'm rooting for you!
