

ACTIONS and REACTIONS

Inspired by *Pig the Pug* by Aaron Blabey

Every action causes a reaction. Draw the reactions for each of the actions below.

When Trevor says, “You’ve got some great toys there,” how does Pig react?

When Trevor says, “But it might be more fun if we both played together,” how does Pig react?

When Pig stands on a pile of his toys, what happens to Pig next?

When Pig shares his toys, how does Trevor react?
